MEMORANDUM FOR: Representatives of the National Foreign Intelligence Board

FROM: National Intelligence Officer for Strategic Programs

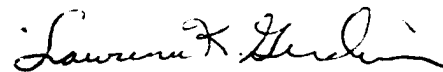

SUBJECT: Post-Mortem on NIE 11-3/8-83

1. The post-mortem for NIE 11-3/8-83 will be held on 17 May 1984 from 1330 to 1530 in Room 7-E-62, CIA Headquarters. The purpose of the post-mortem is to produce a critique of the Estimate that will inform managers in intelligence producing agencies and will serve as a guide for planning production of national intelligence on Soviet strategic programs. During the post-mortem, I propose that we address primarily issues of substance, but that we also discuss the format and production procedures for the Estimate. We plan to begin the meeting with the discussion on format and production procedures and this should last from about 1330 to 1400.

2. The NIE 11-3/8-83 official photograph will be taken at 1300, 17 May, in Room 7-E-62. We request that all NFIB representatives and chapter authors who participated extensively in the NIE 11-3/8-83 process try to arrive by about 1250 for the photograph.

3. Please inform of the names of the representatives from your agency who will participate in the meeting.
